## Hakkımızda

Orion Arms, Elli yıla yaklaşan tarihinde pek çok ilke ve sayısız başarıya imza atarak silah sanayiinde her dönem Türkiye'nin öncü ve yenilikçi markası oldu.

Konya Üzümlü'de 1960 yılında atılan ilk adım, Demirci Ömer ile yolculuğun başlangıcıydı. Bu uzun soluklu yolculuk, yenilikçi bir anlayışla birleşerek, Avrupa'nın en büyük entegre silah üretim tesislerine sahip markasını yarattı.

Orion Arms, bugün spor silahlarından tabancaya ve askeri silahlara uzanan geniş ürün yelpazesıyla dünyanın sayılı üreticileri arasında.

Bu başarının altında yenilikçi üretim süreçleri ile kaliteyi, kurumsal organizasyon yapısı ile müşteri memnuniyetini, inovatif tasarım ve üretim süreçleri ile geleceğin Ar-Ge faaliyetlerini bir araya getiren bir anlayış yatıyor.

Orion Arms, günümüzde 80'e yakın ülkeye ihracat gerçekleştiren; ürünleri başta Türkiye olmak üzere dünyanın birçok ülkesinin sivil kullanıcıları, emniyet teşkilatı ve ordusu tarafından kullanılan bir marka.

Kurulduğu günden bu yana her zaman alanında öncü olan Orion Arms, bu misyonunu üretim süreçlerini çağın gereklerine uygun şekilde geliştirerek ve "Endüstri 4.0" ile uyumlu hale getirerek sürdürüyor.

## Abut Us

In its nearly fifty-year history, Orion Arms has always been Turkey's pioneer and innovative brand in the arms industry, by achieving many firsts and countless successes.

The first step taken in Konya Üzümlü in 1960 was the beginning of the journey with Demirci Ömer. This long-term journey, combined with an innovative approach, created the brand with Europe's largest integrated weapons production facilities.

Today, Orion Arms is among the world's leading manufacturers with a wide range of products ranging from sports weapons to pistols and military weapons.

Underlying this success lies an understanding that brings together innovative production processes and quality, corporate organizational structure and customer satisfaction, innovative design and production processes and future R&D activities.

Orion Arms, which exports to nearly 80 countries today; It is a brand whose products are used by civilian users, law enforcement and army of many countries of the world, especially Turkey.

Orion Arms, which has always been a pioneer in its field since its establishment, continues this mission by developing its production processes in accordance with the requirements of the era and harmonizing them with "Industry 4.0".
